10.4 (51.8) %

Equity ratio Q3/2010
50.0 (38.8) %
Profitable growth strategy to be continued

- The Board has conducted a review of the strategic options available to enhance shareholder value
- Exel Composites has a strong financial position
- Exel Composites is the market leader in the fragmented pultrusion industry
- The Board confirmed the strategy to continue focusing on profitable growth by pursuing organic growth opportunities and bolt-on acquisitions
Market outlook

- Due to the worldwide business slowdown, demand has been weak in several geographical markets and market segments.
- The market conditions have gradually improved in 2010.
- Exel Composites recorded a strong third quarter of 2010, but maintains its cautious stance in the near term, since market uncertainties persist.
- Exel Composites is well positioned to take advantage of the growth opportunities as the markets gradually recover.
Exel Composites’ outlook for 2010

• Due to the uncertain market situation and poor visibility, Exel Composites will not give any profit guidance
